But by midday the first symptoms of rally manifested themselves in the imnuence of the news of Mr. Little's favorthie report on the condition of the Lehigh Valley in connection with the sale of bonds of the company which will result in bringing the costrol into closer harmony with the other coalers. Other influences gathered to assist the rally. The completion of the profit taking in Chicago Gas was foilowed by renewed buying of the stock and an upward jump on very large transactions. The session of the New York Central directors set affoat rumors that a refunding plan would soon be announced stock and the other Vanderbilts. The annual report of the Chicago, Burlington & Quincy received a favorable interpretation which became very general through the whole list on very active dealings and a buoyant tone to the trading. There was a important reaction in prices. Chicago Gas gained 2% over the low level, and Sugar, General Electric, Leather preferred and Rubber preferred from 1 to 14. Burlington led the grangers with an advance of 1% New York Central rose 14, Omaha 1% and & St. L 114. Minneapolis and Duiuth receipts were one of the domestic features which caused the ignoring of the Liverpool strength. The two places referred to reported the receipt of 504 carloads, against only 237 the similar day of the week before and 458 a year ago. It did not matter that Minneapolis was offering the inducement of 1½c premium over July price for wheat delivered ed themselves with the raw material to about mium over July price for wheat delivered now; that was disregarded, and the mere fact of the receipts having increased was the only point laid hold of. Chicago receipts were ten cars. A vessel cleared for Buffalo with 50,000 bushels, and another for Miiwaukee with 20,000 bushels. May started at from 67%c sellers down to 67%c, against yesterday's closing price of 67% 68c, and after gradually working up to 67%c it dropped back under the influence of heavy short selling to 66% 66%c.
